You can annotate all documents on Westlaw UK.

**Header Annotations**
You can add annotations at the top of any document. These annotations can only be viewed by you unless you choose to share them. Click the Note icon on the right of the screen and then enter your note into the text box at the top. You can format your text and include live links.

If you have appropriate permissions, you can also choose to share annotations with individuals or groups of people within your organisation.

**Inline Annotations**
You can also highlight and add notes throughout the text of a document. Simply click and drag to highlight text and then a pop-up will appear. Here you can choose to save this “snippet” into a Folder, Highlight the text or Add a note.

You can also copy this extract with or without its reference (citation and date of copying).
